Hi Laura -

Please send John the most current version of the PA, the matrix that went along with it, and the meeting notice for Friday's meeting.
Thanks.

Faith

Hi Faith,
Our attorney, Randy Young, said he spoke to you about the Navy being a signatory on the PA. Do you have an electronic version of the final PA that we can review?

Programmatic Agreement

Hi Everyone -

Just wanted to update you on what has been happening with the PA.

On Tuesday, the Honolulu City Council voted to authorize the Director of the Department of Transportation Services to sign the Section 106 PA.

Yesterday, we received final comments on the PA. Early next week, we will be transmitting the version of the PA that responds to those comments, along with a matrix that lists all of the comments that were received from Day 1 and our responses to those comments. Needless to say, the matrix will be a very big document.

At this time, we would like to thank each of you for all the time and effort you devoted to getting the PA to where it is today. Although it may not have been openly expressed, we certainly appreciated your active involvement in the development of the PA. Outside of the 11 meetings of the consulting parties, we know that you have spent days reviewing the PA. The comments and discussion that resulted from that review have made the PA a better document. Please convey our thanks to the other people in your organization who also contributed to this effort.

The process is not over yet and so we are counting on your continued involvement.

Again, our sincerest thanks.

Faith Miyamoto
Rapid Transit Division
Department of Transportation Services
City and County of Honolulu
